# Michael's Message

Greetings to One and All,

Well 2024 was quite the year! As we move into 2025, I would first and foremost like to thank everyone for the stewardship of their time, talent and treasures throughout the past year. We were involved in many, many ministries, both inside and outside the church. The positive response to our financial shortfall in late October was absolutely fabulous. We eventually finished the year financially stronger than we had envisaged at the beginning of the year. We can do nothing as a church without the movement of the Holy Spirit and our individual and collective response to the Spirit's nudging. I am personally grateful for the discernment of the Holy Spirit by those who gather at First Presbyterian.

That discernment needs to become evident in 2025 as we enter into a new year. I am excited with anticipation and expectation as to what the Spirit will have us do this coming year. Change will be afoot in a number of areas. We will embrace some new things, celebrate the ongoing, and we will let go of things that have run their course. I love the text from Isaiah 43, **"See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."** That perceiving comes as we engage with the Holy Spirit's leading. I pray for eyes to see and ears to hear what the Spirit has in store for us this year.

It all comes down to our relationship with the Living God and how we live into **Reaching Up, Reaching In, and Reaching Out**. Making sure of our own walks with the Lord – how and what can we do? Making sure that we take care and look after one another within the body – being willing to give but also receive the love of those around us. Even though that might prove difficult as we disagree with each other on many fronts. Making sure we engage with the community around us, near and far, by serving others in Jesus' name. Let us all, in the ways we are led, live into the words from I Peter 4:10, **"Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received."**

Much was accomplished in 2024 and God is still at work in the world in 2025 and beyond. There is work for us to do here in Deland, FL, as First Pres, and it comes with joining in the places that God is already at work and to God be the glory.

I leave 2024 behind with a heart full of gratitude for the gift of sabbatical that the congregation gave to Elaine and me. I look forward to God's plans for 2025.

Remember, as we are out in the world, let us each give glimpses of the kingdom of God in all the places God puts us, and be sure when we do, the world will be a better place.

Happy New Year,

Grace and Peace,  
Pastor Michael

# Financial Stewardship Update

Sisters and Brothers,

What an amazing response! As we entered into October, we were in danger of missing our 'expected giving' total for the year. This would have meant that we would have had to use more of the reserves that we had in place than we previously thought, which would have impacted us for 2025. As it stands right now, our preliminary end-of-year figures, put us just ahead of what we expected. The generosity of the congregation has been both heart-warming, but more importantly Spirit affirming, as we build on 2024 and enter into 2025.

As we step into 2025, there will of course be challenges ahead, but we can now meet those challenges head on with a solid platform financially. A number of you have commented that we should be more forthcoming with the financial data/situation throughout the year, in an ongoing dialogue. We will endeavor to do this this coming year in *First Press* starting in March.

As a starting point for that dialogue, the 2025 budget for the church stands at \$800,000 of which \$721,000 has been covered by estimates of giving or in their absence, previous giving history. This leaves a planning shortfall of approximately 10%. That sum is more than covered in an 'operational reserve' if it is needed. Notwithstanding the reserve, Session approved moving forward on the basis of a **faith based budget**, that we will not be required to use the reserve in 2025.

Grace and Peace,

Pastor Michael and Pastor Casey

On December 29, 2024 at 10:30 am the congregation gathered to worship together at the combined service and potluck luncheon.

## Casey's Corner

Happy New Year!

Wow, 2025! I have a love/hate relationship with the holiday of New Years Eve and New Years Day. On the one hand, it feels a little uneasy that time is moving so quickly. Oftentimes I get the new years blues and feel like another year has passed and not much has changed. On the other hand, I am full of hope that this year will be MY year! And friends, I believe that 2025 will be MY year. I will eat better, read my Bible more, and I will promise many other things that I will be doomed to fail at come February. When I fail and break my new year's resolution, I give up. Instead of getting back on the wagon, I just go back to my old bad habits. This year I encourage us to do something different. This year I want to challenge all of you and myself to write down your new year's resolutions. Then at the bottom write the word GRACE. Remember that God has forgiven us for much worse than breaking a new year's resolution; and instead of giving up, let us forgive ourselves and try again. Remember Philippians 4:13 *"I can do all things through Christ who strengthens me."*

Many children and youth participated in Pajama Story Time on Friday, December 13th, followed by the Youth Lock In. They continued by participating early the next morning, Saturday, December 14th, at our Farm Share Food Distribution. Thanks to all of the many helpers!

# Worship Team News

*Philippians 4:8 "From now on, brothers and sisters, if anything is excellent and if anything is admirable, focus your thoughts on these things: all that is true, all that is holy, all that is just, all that is pure, all that is lovely, and all that is worthy of praise."*

As we bring in the New Year, we need to acknowledge the incredible volunteers who made our Christmas season memorable. Our "Hanging of the Greens" Pop-Up group was twenty seven people strong, which made for record time setting everything in place and ended with a delicious pizza and salad meal to celebrate. Thank you to the donors who supported this fellowship meal!

Our newly donated Christmas quilt (see photo below) was hung in the back of the Sanctuary over the choir loft wall. Made by Karen Jacobs, the quilt looks lovely there. Also, We hung new banners in Fellowship Hall. Then we added a new tree with ornaments made by the children here at First Presbyterian School. Our chapel was decorated in fifteen minutes after a November service with helping hands from the attendees with treats provided, of course.

Our Blue Christmas and Evensong services provided time to reflect and listen to meaningful passages and songs - a bit of calm in the midst of a busy season. Both well-attended events were proved especially moving. Thank you to all who were involved in these services.

*Excellent...Admirable...Holy...Lovely...Praiseworthy*

## Property Team News

### 9. 2 Corinthians 9:15: *"Thanks be to God for his indescribable gift!"*

This is the season of giving and receiving, and this verse reminds us that Jesus is the greatest gift we could ever receive. It's a call to give thanks for God's abundant blessings. We are ending a year of both difficulties and blessings for many of us. It has been a year of facing challenging repairs and unexpected storms. But the church has survived and is moving forward into a pathway to 2025! We have met many goals and are setting new ones for the future. The Church Family is reminded by the Apostle Paul that our difficulties and gifts are temporary, but God's gift to us was the permanent gift of salvation through his Son Jesus Christ. Celebrate God's gift to mankind as we look back over this year with the Property Team: Joe Guthrie, Moderator, Stew Burkhammer, Mark Chapman, Fred Hoffman, Paul Jones, Dave Langell, John Thomson, and John Turk. Thank you Property Team members for your many hours of volunteering. **This team has overseen the completion of forty one major projects this past year** from the repaving of the First Pres parking lot to the installation of commercial HVAC units to the building of a Carriage Canopy. Please give thanks with us to Session, to our many contractors, and to the hard-working office staff without whom we could not function. Please face 2025 with joy, hope and anticipation with us!
