APRIL BIRTHDAY FELLOWSHIP

SUNDAY, APRIL 6TH
FOLLOWING WORSHIP

Michael's Message

Greetings and Salutations,

Easter arrives a little later this year and so as we step into April, we conclude our forty day journey through Lent and enter into Holy Week on April 13 (Palm Sunday). Our daily devotional has afforded us the time to look at opening up spaces in our life whereby we can let in the Living God in. It has encouraged us to “pause” in the business and messiness of life and reflect on many aspects of what it means to live in this world. I hope and pray that you have (and will for the first two weeks of April) found it meaningful and insightful. Our accompanying Sermon Series has focused in on the fact that we all have stories to tell of the Living God’s interactions with us as we live life today. Taking the scriptures and applying them to our world and letting others know that the Living God is alive and well and active in all of our lives. I encourage you to continue telling your stories to one another and those you encounter on life’s journey.

On Saturday April 12th, we will welcome onto our campus members of the church, school, and community as they come and participate in the Easter “Eggsperience.” Led by the school this year, it is an opportunity for us to show welcome to one another and embrace the truth of Easter. Please plan on attending to share the love of Jesus.

The month begins with the Women’s Retreat *Bee-attitudes* at the San Pedro Center in Winter Park, led by Pastor Casey. We pray for a wonderful time of learning, sharing, and fellowship for all those in leadership and those attending. For the men of the church, please stay on the lookout for an announcement during April setting a time for you to gather in fellowship with one another.

As Holy Week approaches, remain mindful of the Maundy Thursday and Good Friday services, both beginning at 6pm on their respective days. Both provide for the opportunity to step out of the hustle and bustle of daily life and sit for a while and reflect upon all that the living God has done for us before we celebrate the empty tomb and proclaim once again “He is Risen!”

Finally, on April 27th at 1pm, we will have a special music concert, *Music of the Easter Season*, performed by the Church Chancel Choir. Come and simply “be” and enjoy an array of Lenten and Easter offerings.

As always, as we are out in the world, be sure to look around, breathe deeply upon the grace of our Lord Jesus Christ, and then breathe out that grace on all you encounter – the world will be a better place for it.

Grace and Peace,
Pastor Michael

Growing the Church

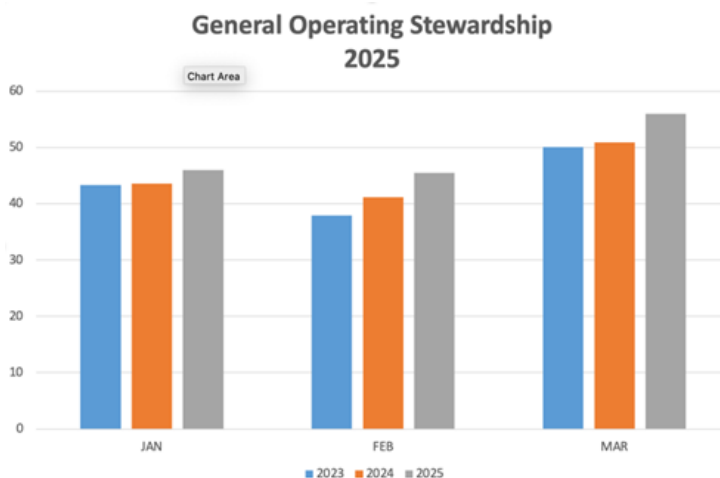

On Sunday March 30th,
we had the privilege of accepting our latest members to the church.

Cheryl Gausepohl, Doris Saffran, Terry and Sharon Pinder, Robert Raab, Peggy Mahoney,
Jane and Conrad Collins, Cindy Maurer & Sandy DeLillo.

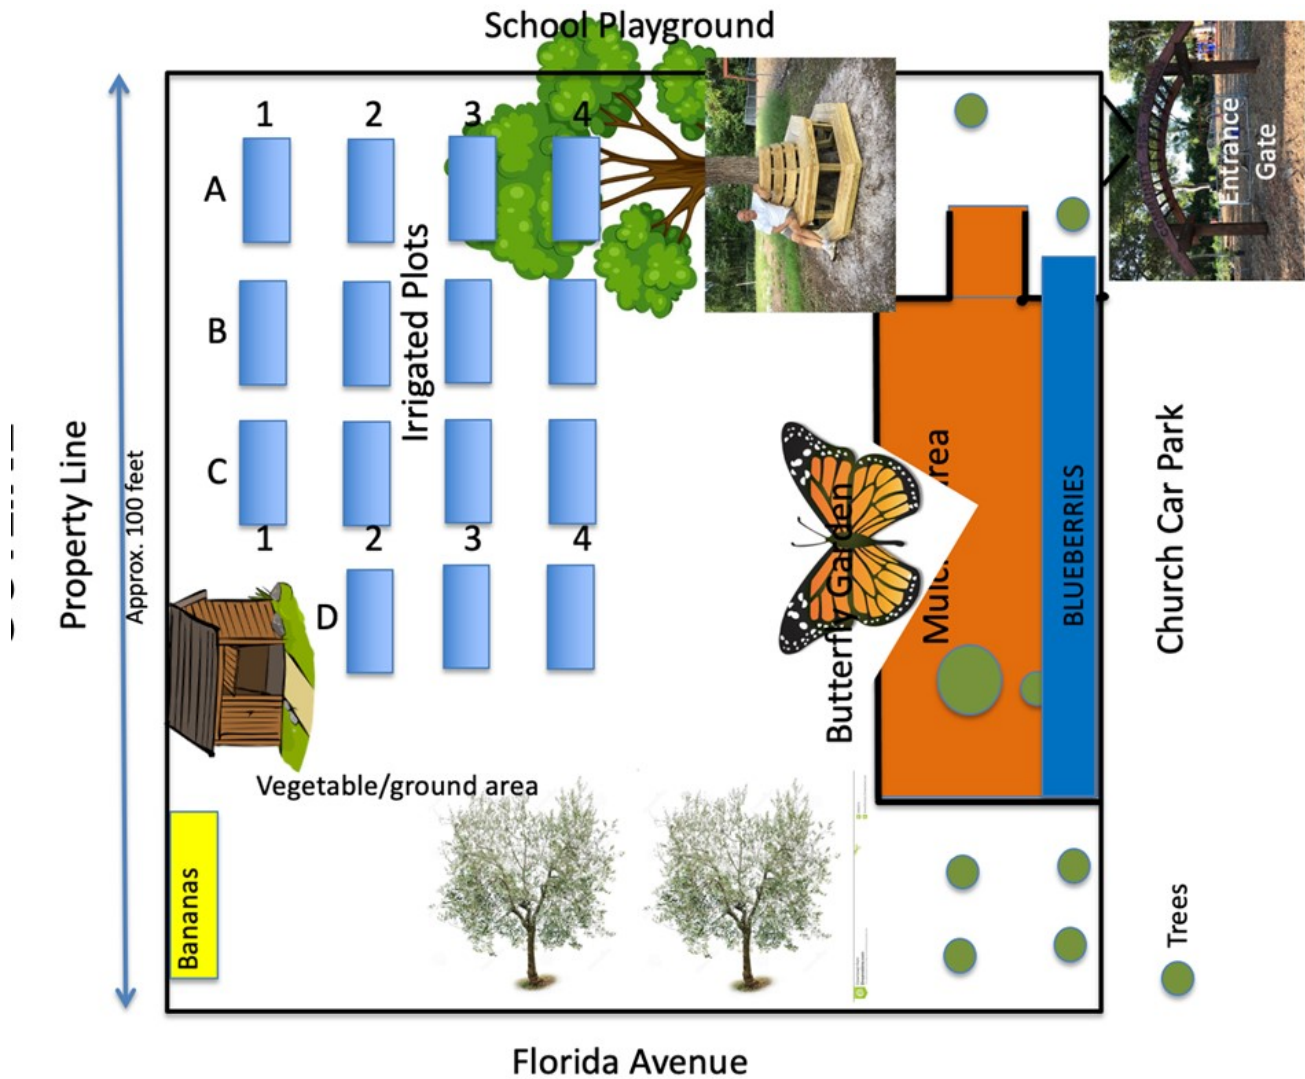

Financial Update

As we entered into 2025, we did so with an approved budget of \$800,000, with an estimated income contribution of \$720,000. With our 10% mission tithe (\$72,000) now being allocated to the Hugh Ash Foundation for funding, this has left us with a \$728,000 Operating Budget. To meet this budget, we require a monthly income of \$60,667.

Above is the month-by-month comparison for the first three months of 2025 compared to the previous two years. Traditionally, we have always had a slow start to the year, when it comes to contributions, but as you can see above, we have started better this year than the previous two years. We are looking forward to a wonderful, fully funded 2025. Thank you all for your faithfulness and generosity.

COMMUNITY GARDEN SPRINGS FORWARD.....

After a time of mostly lying fallow, the Community Garden is once again moving forward. A word of thanks to those who have tirelessly toiled to keep the garden going and now to good effect. Please take the time to visit and see if the Spirit is calling you to become either a plot holder or just part of the general garden upkeep. The school has recently begun taking over a few of the plots, and others have stepped forward to once again create an oasis on the church campus. It's a great place to simply sit and watch the butterflies and birds (especially the pair of Pileated Woodpeckers that fly to and fro).

I am excited that the garden will once again begin to produce a harvest of food and fellowship. If you are interested in participating, please let me know.

Pastor Michael

First Presbyterian Church is Certified as a PC(USA) Earth Care Congregation

by the Presbyterian Church (U.S.A.) Presbyterian Hunger Program through February 2026. The Earth Care Congregation certification is designed to recognize churches that make the commitment to take seriously God's charge to "till and keep" the garden.

Begun in 2010, this PC(USA) national program is celebrating fifteen years of certifying churches and celebrating environmental ministry across four major areas of a congregation's life:

worship,

education,

facilities,

and outreach in the community.

One of the goals of this program is to inspire churches to care for God's earth in a holistic way through integrating earth care into all aspects of their church life.

First Presbyterian has served as an Earth Care Congregation for the past eight years with the Community Garden one of the first projects undertaken. There is so much more for us to be doing.

If you are interested in joining the Earth Care Team, please contact Pastor Michael. In the near future we will gather together those interested to plan out how we can continue to develop initiatives in the four areas of the congregation's life.

First Presbyterian Church feels grateful to be just one of the three hundred sixty one congregations in forty one states that chose to dedicate themselves to intentional care of God's earth this year.

Casey's Corner

This year and last year the adult discipleship team has picked devotionals with the theme, *Pauses for Lent*. I have loved going through the daily devotions this year and really taking time to pause and reflect on the season of Lent. Why is it important to pause? We live in a world that is moving far too fast, and we have learned to keep up. I feel as though I am not moving or doing something -just wasting time lazily.

A couple years ago, I worked for a refugee center in Thessaloniki, Greece, working Monday - Thursday from 10am till whenever I felt like leaving. This drove me nuts! With no structure, people would leave after lunch or literally whenever they wanted to. I remember one morning I walked into the building and I saw a couple of people leaving the office space. They explained to me "We forgot the key, so we go home." I thought "Should I wait till you get back?" No! they meant for the whole day. Wow what a way of life!

So, I decided to explore the town with my surprise day off. It was lovely. With no schedule, I took time for myself. This taught me how important it is to have time to pause, to do something not planned, to take time for yourself.

This theme seems peculiar as we approach Easter with the busier church calendar. So I challenge us all to take time to pause. When we take time to pause, to reflect, or to listen, God's voice becomes clearest. As we approach Easter, and plan to celebrate the good news that Jesus has risen, let us become intentional with time to Pause.

Presbyterian Women (PW) of First Pres DeLand

We held our annual Gathering for *Dedication of the Birthday Offering* on March 8, 2025. Ladies who attended enjoyed a delicious brunch and had fun sampling six different cakes provided by the circles. Everyone enjoyed our interesting speaker, Dr. Jason Evens, Environmental Professor at Stetson University. Make plans now to attend the next Gathering, on May 3, 2025!

As we welcome Spring and look forward to celebrating the risen Christ, Presbyterian Women also look forward to some exciting events in April and May:

- **Dedication of the Least Coin Gathering and Ladies' Tea**, our last Gathering of the year, begins at 10:30 am on May 3, 2025. We will install officers for the coming year. We welcome all ladies to attend; whether or not a member of the church or of a circle. More details on this Gathering will come soon!

We wish you all a joyful and blessed Easter season. Christ is Risen!!

Worship Team News

An interesting history of the Celtic Altar Cross located in the First Presbyterian church sanctuary. . .

James and Mary Clements, long time members of First Presbyterian Church DeLand, visited Dr. and Mrs. Hugh Ash at their home in Black Mountain, NC, on March 26, 1997. Dr. Ash, Pastor Emeritus, served at First Presbyterian from 1959 -1982 when he retired. During that visit, Dr. Ash shared the history of the Celtic Altar Cross.

In 1959 the church was moving to its current location and providing furnishings for the new building. Dr. Ash asked the Session if he as the new pastor might make a personal gift in the form of a three-foot, gold-embossed, Celtic Altar Cross. Session authorized that gift.

Constructed in England, the church built an alter with a raised center on which to place the cross. The cross contains four medallions, one on each arm of the cross. Starting from the left, the medallions represent the four Gospel writers: Matthew, Mark, Luke and John. The medallion in the center represents the symbol *Chi Rho*, the first four letters of the Greek word for Christ. The cross is supported by a three-tiered base. The smallest tier represents Faith; the middle, Hope; and the largest, Love.

Dr. Ash's heart-felt desire was to continue to display the Celtic Cross on the altar of the Church in perpetuity. Thank you to Linda Parson Davis for sharing this piece of history that her father, Harold K. Parson, recorded on April 2, 1997.

Society of St. Andrew
GLEANNING AMERICA'S FIELDS
FEEDING AMERICA'S HUNGRY

What's "gleaning"? Several stories in the Old Testament point to the practice of purposeful giving from the harvest for needy ones. Farmers were commanded to leave some of the fruit on their trees and vines so that the poor could come in and glean. In 1979, the Society of St. Andrew (SoSA) non-profit was founded to do just that. The society provides farmers an avenue to salvage fruit and vegetables after the commercial harvest and provide food to the hungry. Volunteers come in to glean the leftovers in the fields, farmers' markets, and even food shows. The salvaged produce then goes to food pantries and shelters. SoSA offers gleaning events throughout Florida. To learn more about Society of St. Andrew and/or to volunteer to become a gleaner go to: florida@endhunger.org
